

Grand Supply Center Opening July 6th 2017

Wagistrasse 27a, 8952 Schlieren

The simple beauty of having everything
you need, when you need it.

Join us for the NEW Thermo Fisher Scientific Supply Center Opening with some refreshments and a cozy BBQ. Meet your representatives and discover how we can help making your research faster, easier, and more efficient by using the Thermo Fisher Scientific on-site stocking program.

Agenda for Thursday, July 6th

- 3:30 – 4:00 pm Welcome to the Supply Center
- 4:00 – 5:00 pm Supply Center and Show Room Opening
- 5:00 – 8:00 pm BBQ on the Thermo Fisher rooftop terrace

We would be happy to have you with us. Any questions? Please contact us:

Our life sciences portfolio at a glance

We have simplified our brand architecture to provide greater clarity to our customers. This included retiring the Life Technologies brand name and logo. The Applied Biosystems™, Invitrogen™, Gibco™ and Ion Torrent™ brands are now Thermo Fisher Scientific brands within the life sciences product portfolio, alongside the Thermo Scientific™ brand.

The Molecular Probes™, Novex™, eBioscience™ and Ambion™ brands have become product line names under the Invitrogen brand.

Here's an overview of how our life sciences brands and product lines come together:

thermo scientific

Bioproduction, molecular biology, protein biology and high-content analysis.

Popular product lines

Phusion™
FastDigest™
GeneRuler™
SuperSignal™
Slide-A-Lyzer™
HyPerforma™
Tandem Mass Tag™ (TMT™)
CellInsight™
ArrayScan™
Zeba™

applied biosystems by Thermo Fisher Scientific

Integrated systems for sequencing, real-time, digital and endpoint PCR.

Popular product lines

QuantStudio™
TaqMan®
SYBR™
ProFlex™
BigDye™
SimpliAmp™ Thermal Cycler

invitrogen by Thermo Fisher Scientific

Cell, Protein and molecular biology technologies.

Popular product lines

Molecular Probes™
GeneArt™
TOPO™
SuperScript™
Lipofectamine™
Dynabeads™
EVOS™ Cell Imaging Systems
Attune™ NxT Flow Cytometer
Antibodies including eBioscience™ antibodies
ELISAs and Luminex™ assays and instruments
QuantiGene™ assays
Novex™

gibco by Thermo Fisher Scientific

Media, supplements, cells and reagents.

Popular product lines

GlutaMAX™
B-27™
TrypLE™
KnockOut™
Neurobasal™
Advanced™
FluorBrite™

ion torrent by Thermo Fisher Scientific

Sequencing technology powered by semiconductor chips.

Popular product lines

Ion AmpliSeq™
Ion Proton™
Ion PGM™
Ion Reporter™
Ion Chef™

A selection of demo instruments located in our Show Room:

Thermal Cyclers

qPCR/ Sequencing from ABI

Flow Cytometers

Microscopes: Transmitted Light, Fluorescence & HCS

Cell Counting: With and without Fluorescence

Electrophoresis Blotting & detection

... and many more ...
